1.3 - Waiver of Cost Sharing Requirements of Coinsurance, Copayment and Deductible for Furnished Preventive Services Available in Medicare (Rev. 2233, Issued: 05-27-11, Effective: 01-01-11, Implementation: 06-28-11)

Section 4104(b)(4) of the ACA, amends section 1833(a)(1) of the Act, by requiring 100 percent payment for the IPPE, AWV and for those preventive services recommended by the United States Preventive Services Task Force (USPSTF) with a grade of A or B for any indication or population and that are appropriate for the individual.

Waiver of Coinsurance and Copayment for Preventive Services and Screenings

This requirement waives any coinsurance or copayment that would otherwise be applicable under section 1833(a)(1) of the Act for those items and services listed in section 1861(w)(2) of the Act (excluding electrocardiograms) to which the USPSTF has given a grade of A or B. In addition, section 4103(c)(1) of the Affordable Care Act waives the coinsurance or copayment for the AWV.

The coinsurance or copayment represents the beneficiary’s share of the payment to the provider or supplier for furnished services. Coinsurance generally refers to a percentage (for example, 20 percent) of the Medicare payment rate for which the beneficiary is liable and is applicable under the PFS, while copayment generally refers to an established amount that the beneficiary must pay
