

Important Information for Medicare Boot Camp® Participants

What is Included with Your Purchase

When you purchase a seat for our live virtual boot camps, you get online access for one participant to the live sessions, printed workbook materials, and access to the recordings of the sessions. HCPRO reserves the right to revoke your access if we find that you are sharing your login or any of the class information.

Course Materials

You will receive a hard copy of the class materials. These will be shipped to you via UPS. If ordering on our website, please enter the physical address (not a PO Box) where the materials should be delivered. If you order over the phone, please verify the address information we have on file for you. If you are unsure what address we have on file, you may also call our customer service department at the number below to verify. Materials should arrive approximately two business days prior to the start of class.

Virtual Boot Camp Platform

We use GoToMeeting to present our virtual boot camps. To ensure your system supports GoToMeeting, use this link <https://support.goto.com/meeting/system-check>. We will send out access information for the class 4 business days prior to the class start and again 1 business day prior.

Session Recordings

You will have access to the recordings of each class session via a password protected page on our website. Recordings will be added to the page within one business day following the live session. You will have access to this page for 60 days after the final live session.

Continuing Education Credits

To receive continuing education credits, you will be required to successfully complete a 40-question quiz that is based off of the content covered throughout the course. Successful completion is achieved by getting at least 80% of the multiple-choice questions correct.

What to Bring to Class
